

Volcano CERT Net

(Net Control Script)

1. "QST, QST, QST"
2. "This is **(your call sign)**. My name is **(your name)** and I will be net control for this evening's Volcano CERT Net. The purpose of this Net is to:
 - 1) practice radio protocols
 - 2) test our equipment
 - 3) get to know our fellow CERT members and others who may join the Net
 - 4) and, have fun with our hobby"
3. "Is there any emergency traffic at this time? Come with your call sign now."
4. "We will go two rounds during this Net. Please give a signal report on your first round and any report or comment that you would like to make. Also if you have a radio question this is a good forum to get feedback. When your turn is done please turn it back to Net control"
5. "Before we begin the first round I will ask Nancy or anyone from the leadership group to give us any CERT updates or announcements."
6. "When checking in please say your call sign and give us your name."
7. "I will now take check-ins. Those wishing to join the Net this evening please come with your call sign now"

8. "I have the following check-ins:" **(Repeat all checked in call signs)**
9. "Any other check-ins? Come with your call sign now."
10. "WH6DYY (or anyone from the leadership group) would you please give us any updates or announcements that you may have."
11. "**(Call sign of station)** please give us a signal report and take a turn."
12. "Thank you **(call sign of station)**."
13. "Next station **(call sign of station)** please give us a signal report and take a turn." (continue until all stations have taken a turn)
14. "We're at the bottom of the list. Are there any other stations that would like to join the Net this evening please come with your call sign now."
15. "We'll now begin the last and final round."
16. "**(Call sign of station)** please take a turn." (Etc., etc., etc.)
17. "Does anyone have any questions or comments?"
18. "Thanks everyone for checking in tonight. We had **(number of check-ins)** check-ins."
19. "I will now close the net. This is **(your call sign)** closing the Volcano CERT Net at **(time)** Whiskey and returning the frequency to regular amateur use. 73 and Aloha, **(your call sign)** clear."
