

# Emergency Radio Communications

## Prowords

**Affirmative:** Yes

**Break:** I have something important and timely to say

**Negative:** No

**Clear/out:** This is the end of my transmission; a reply is not required

**Over:** This is the end of my transmission; a reply is expected

**Radio check:** What is my signal strength and readability?

**Roger:** I copied your last transmission

**Say again:** Repeat your last transmission

**Speak slower:** Talk more slowly

**Standing by:** Monitoring and waiting for further contact.

## Emergency calls

- Identify the transmission with your call sign or name
- Give your location with enough detail to be located
- State the nature of the situation
- Describe the type of assistance required
- Give any other pertinent information
